RE: May 6, 2014 election

Greetings,

On May 6, South Suburban Park and Recreation District will be conducting a regular election. It will be a non-partisan, polling place election. There are THREE Director positions available. We anticipate no ballot questions at this time.

The District provides services to six municipalities and serves residents of nearly all of Arapahoe County west of I-25, the TrailMark area in Jefferson County (which is included in the boundaries of the City of Littleton), and some residents in Douglas County including the City of Lone Tree west of I-25. Our Board members represent the entire District, as opposed to regions.

As required by law, we provided annual District map updates to the county clerk and assessor offices at the end of December. If you need additional information or if we need to review boundaries to complete the lists in a timely manner, please let me know.

Following recent legislation, no doubt there will be some questions. We will request voter lists from your office and again we anticipate the need to request some assistance from your Elections staff, in order to verify the eligibility of

Please let me know at your earliest convenience if you have any questions, or if see any hurdles to providing the District assistance in the ways outlined above for our upcoming May election. Thank you very much, to you and to your staff members, for your help.
