**ROCK CANYON METROPOLITAN DISTRICT
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Order and Decree of the District Court of Douglas County, Colorado on February 28, 2019, to provide financing for design, acquisition, construction and installation and financing of essential public-purpose facilities such as water, streets, traffic and safety controls, parks, open space and recreation, and sewer and drainage facilities, and the operation and maintenance of the District. The District's service area is located entirely within the boundaries of Douglas County, Colorado.

The budget is in accordance with the TABOR Amendment limitations, which were modified by the voters in an election held on November 6, 2018. Additionally, the election allows the District to collect, spend, and retain all revenues, other than ad valorem taxes, without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

On November 6, 2018, the District's voters authorized general obligation indebtedness of \$65,000,000 for District improvements, \$5,000,000 for the purpose of refunding debt, \$5,000,000 in intergovernmental agreements, and \$5,000,000 for operations and maintenance debt. The service plan has a limitation on the issuance of debt to \$10,000,000.

The total authorized debt limit for the District shall be Ten Million Dollars (\$10,000,000). The initial debt service mill levy will be 50.000 mills subject to the Gallagher Adjustment, with a Maximum Debt Service Mill Levy of 55.277 mills. The initial operations and maintenance mill levy will be 15.000 mills, with a Maximum Operations and Maintenance Mill Levy of 15.000 mills. The combined initial mill levy for the District will be 65.000 mills, with a maximum combined mill levy of 65.000 mills. After the Gallagher Adjustment, the District will initially levy a general fund mill levy of 15.104 mills and a debt service mill levy of 50.349 mills for a combined mill levy of 65.453 mills.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.T.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**ROCK CANYON METROPOLITAN DISTRICT
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The primary source of revenue is property taxes. The calculation of the taxes levied is displayed on the Property Tax Summary pages of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8% of the property taxes collected by the District.

Developer Contributions

The District is in the development stage. As such, the operating and administrative costs for 2021 are to be funded by the Developer.

Interest Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately .25%.

Expenditures

Administrative and Operating Expenditures

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, accounting, insurance, banking, and meeting costs.

Debt Service

Principal and interest payments are provided based on the debt amortization schedule from the Series 2020A Bonds (discussed under Debt and Leases).

**ROCK CANYON METROPOLITAN DISTRICT

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases

The District issued Senior Bonds and the Subordinate Bonds on January 7, 2020, in the respective amounts of \$1,637,000 and \$398,000.

Proceeds from the sale of the Senior Bonds were used to: (a) pay or reimburse the Project Costs; (b) make a deposit to the Senior Surplus Fund; (c) fund capitalized interest on the Senior Bonds; and (d) pay costs of issuance of the Bonds. Proceeds from the sale of the Subordinate Bonds will be used to: (a) pay or reimburse Project Costs; and (b) pay other costs incurred in connection with the issuance of the Subordinate Bonds.

The Senior Bonds bear interest of 5.000% and are payable semi-annually on June 1 and December 1, beginning on June 1, 2020. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2024. The Senior Bonds mature on December 1, 2049. To the extent principal of any Senior Bond is not paid when due, such principal shall remain outstanding until paid and shall continue to bear interest at the rate then borne by the Senior Bond. To the extent interest on any Senior Bond is not paid when due, such interest shall compound on each interest payment date at the rate then borne by the Senior Bonds. The District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Senior Bonds.

The Subordinate Bonds were issued at the rate of 8.750% (with a combined yield with the Senior Bonds of 5.8152% per Form 8038-G) per annum and are payable annually on December 15, beginning December 15, 2019 from, and to the extent of, Subordinate Pledged Revenue available, if any, and mature on December 15, 2049. The Subordinate Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the final maturity date. Unpaid interest on the Subordinate Bonds compounds annually on each December 15. The District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Subordinate Bonds. All of the Subordinate Bonds and interest thereon are to be deemed to be paid, satisfied, and discharged on December 16, 2059 (the "Termination Date"), regardless of the amount of principal and interest paid prior to the Termination Date.

The Senior Bonds are secured by and payable solely from and to the extent of Senior Pledged Revenue, net of any costs of collection, which includes:

- (a) the Senior Required Mill Levy;
- (b) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Senior Required Mill Levy; and
- (c) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Senior Pledged Revenue.

The Subordinate Bonds are secured by and payable solely from and to the extent of Subordinate Pledged Revenue, net of any costs of collection, which includes:

- (a) the Subordinate Required Mill Levy;
- (b) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Subordinate Required Mill Levy; and
- (c) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Subordinate Pledged Revenue.

Pursuant to the Senior Indenture, the Senior Surplus Fund shall be maintained for so long as any Senior Bond is outstanding. The use of moneys released from the Senior Surplus Fund when no Senior Bonds are outstanding shall be subject to any pledges, liens, or other encumbrances, including any pledge, lien, or encumbrance created under the terms of any other Parity Bonds or Subordinate Bonds.
