Board of Directors Crowfoot Valley Ranch Metropolitan District No. 1 Douglas County, Colorado

We have compiled the accompanying forecasted budget of revenues, expenditures and fund balances of the Crowfoot Valley Ranch Metropolitan District No. 1 for the General Fund and Capital Projects Fund for the year ending December 31, 2013, including the forecasted estimate of comparative information for the year ending December 31, 2012, in accordance with attestation standards established by the American Institute of Certified Public Accountants. A compilation is limited to presenting, in the form of a forecast, information that is the representation of management and does not include evaluation of the support for the assumptions underlying the forecast. We have not audited or reviewed the forecast and, accordingly, do not express an opinion or any other form of assurance about whether the accompanying budget of revenues, expenditures and fund balances or assumptions are in accordance with attestation standards generally accepted in the United States of America. Furthermore, there will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

Management is responsible for the preparation and fair presentation of the forecast in accordance with attestation standards generally accepted in the United States of America, and for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the forecast.

The actual historical information for the year 2011 is presented for comparative purposes only. Such information is taken from the Application for Exemption from Audit of the District for the year ended December 31, 2011.

Management has elected to omit the summary of significant accounting policies required by the guidelines for presentation of a forecast established by the American Institute of Certified Public Accountants. If the omitted disclosures were included in the forecast, they might influence the user's conclusions about the District's results of operations for the forecasted periods. Accordingly, this forecast is not designed for those who are not informed about such matters.

We are not independent with respect to the Crowfoot Valley Ranch Metropolitan District No. 1.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on page 3 of the budget at the adopted total mill levy of 76.750 mills, which includes 70.000 mills for operations and 6.750 mills for fire protection and emergency response.

#### Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The forecast assumes that the District's share will be equal to approximately 7.0% of the total property taxes collected by the General Fund.
