

Notice of Special Meeting - North Fork Fire Protection District Board

Wednesday - June 26, 2013 at 7:00 p.m.

North Fork Station #1

Due to the necessity of cancelling the regularly scheduled meetings of the North Fork Fire Protection District Board and the North Fork Volunteer Fire Department Pension Board caused by the Lime Gulch Fire mandatory evacuation of most of our Board members and by the unavailability of our Chief for the same reason, those meetings are specially scheduled for June 26, 2013 at 7:00 p.m.
