**CHERRY CREEK SOUTH METROPOLITAN DISTRICT NO. 11
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized by Order and Decree of the District Court of Douglas County, Colorado on November 18, 2004, to provide financing for design, acquisition, construction and installation, relocation and redevelopment of essential public-purpose facilities such as water, streets, traffic and safety controls, parks, open space and recreation, sewer and drainage facilities, public transportation, and the operation and maintenance of the District. The District's service area is located entirely within the boundaries of the Town of Parker, Douglas County, Colorado.

At its organization election held on November 2, 2004, the voters approved general obligation indebtedness of \$37,560,000 for street improvements, \$37,560,000 for traffic safety, \$59,280,000 for parks and recreational facilities, \$14,280,000 for sanitary sewer system, \$8,880,000 for a complete potable and non-potable water system, \$130,000,000 for refunding District debt and \$10,000,000 for general operation and maintenance. District voters approved authorization to increase property tax up to \$1,000,000 annually to pay for the operations and maintenance expenditures of the District. Per the District's Service Plan, the Districts are limited to issuing a total of \$213,500,000, in the aggregate. Additionally, the election allows the District to collect, spend and retain all revenues, other than ad valorem taxes, without regard to the limitations contained in Article X, Section 20 of the Colorado constitution.

The District has no employees and all administrative function are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.
