To Whom It May Concern:

In accordance with Colorado Revised Statute 32-1-710, the Division of Local Government (the Division) is notifying you of the Division's action to declare the referenced Title 32 special districts dissolved due to inactivity. Accompanying this letter is one or more "Declarations of Dissolution" which are the formal action of the Division to initiate the dissolution of a special district with the applicable District Court.

The referenced districts have been qualified for administrative dissolution due to one or more of the following issues:

- The district(s) has failed to adopt a budget pursuant to 29-1-108, C.R.S. for at least two consecutive years.
- The district(s) has failed to complete and audit or audit exemption as required in 29-1-601, C.R.S. for at least two consecutive years.
- The district(s) has failed to hold or properly cancel a required regular election in the previous 4 years.

The District(s) has been contacted over 30 days ago at the last available official contact information received by the Division and has either not responded, or has not demonstrated to the Division the district(s) is performing or will perform its statutory or service responsibilities within an acceptable timeframe.

The accompanying Declaration(s) of Dissolution initiates the dissolution process with the District Court, and the district(s) will not be dissolved until a court order of dissolution is completed and recorded with the applicable county Clerk and Recorder's office.

If there are any questions about the dissolution, procedures, recording or anything other issue with the dissolution process, please contact me at (303) 866-4493 or email me at jarrod.biggs@state.co.us.
