STERLING RANCH COLORADO METROPOLITAN DISTRICT NO. 7
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation, and a political subdivision of the State of Colorado was organized by order and decree of the District Court issued on December 10, 2013 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within Douglas County, Colorado.

The District was established to provide for the design, planning, acquisition, construction, financing, relocation, installation, completion, operation, maintenance, and repair or replacement of public improvements and services, including streets, park and recreation, water, sanitary and storm sewer, public transportation, mosquito control, traffic and safety controls, fire protection, and television relay and translation. Under its Service Plan, the District was organized in conjunction with six other related Districts: Sterling Ranch Colorado Metropolitan District Nos. 1 through 6. Sterling Ranch Colorado Metropolitan District No. 1 serves as a Management District and Sterling Ranch Colorado Metropolitan District Nos. 2 through 7 serve as Financing Districts (collectively, the "Districts"). The Districts entered into a Community Authority Board Establishment Agreement (the "CABEA"), on January 6, 2014, which establishes the Sterling Ranch Community Authority Board (the "CAB"). The CAB will own, operate, and maintain certain public improvements within the boundaries of the Districts.

On November 5, 2013, District voters authorized a total indebtedness of \$21,600,000,000 for the above listed facilities, excluding operations and maintenance, intergovernmental agreements, and debt refunding. In the same election, the District voters approved an annual increase in property taxes of \$50,000,000 (without limitation to rate) and an annual increase in fees and charges of \$50,000,000 (without limitation to rate) to pay operations and maintenance and capital costs. The District voters also authorized the District to collect, receive, retain, and spend the full amount of all taxes and all other revenues in excess of TABOR spending, revenue raising or other limitations. On November 4, 2014, the District voters authorized an additional indebtedness of \$1,800,000,000 for a total indebtedness of \$23,400,000,000.

The Service Plans for District Nos. 1 – 7 limit the aggregate amount of debt that they may issue together with any debt issued by the CAB to \$1,800,000,000.

The District currently has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has created within its boundaries, pursuant to § 32-1-1101(1)(f) and (1.5), 3 subdistricts know as Sterling Ranch Colorado Metropolitan District No. 7 Subdistricts A, B, and C, respectively to better provide for necessary and appropriate services and appropriate taxation of different property types within the respective subdistrict boundaries. Per Title 32, each subdistrict is an independent quasi-municipal corporation, though the Board of Directors of the District comprises the ex officio board of the respective subdistricts.

STERLING RANCH COLORADO METROPOLITAN DISTRICT NO. 7
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate		Category	Rate		Actual Value Reduction	Amount
Single-Family Residential	6.70%		Agricultural Land	26.40%		Single-Family Residential	\$55,000
Multi-Family Residential	6.70%		Renewable Energy Land	26.40%		Multi-Family Residential	\$55,000
Commercial	27.90%		Vacant Land	27.90%		Commercial	\$30,000
Industrial	27.90%		Personal Property	27.90%		Industrial	\$30,000
Lodging	27.90%		State Assessed	27.90%		Lodging	\$30,000
			Oil & Gas Production	87.50%			

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.00% of the property taxes collected by the General Fund.
