To Whom It May Concern:

Section 32-1-306, C.R.S., requires special districts to provide a current, accurate map of their boundaries to the Division of Local Government, County Clerk and Recorder and County Assessor by January 1 of each year. This letter is to inform you that the map that is currently on file with your office for the above-referenced District is the most current and accurate map. A copy of the current map is attached for your convenience.
